NORTHWEST MISSOURI STATE COLLEGE
Maryville, Missouri

September 30, 1953

October 23-24 Are Dates For Annual Fall Homecoming

Homecoming time is here again! October 23 and 24 are the dates set for the important event, the annual celebration for all alumni and former students.

Dr. John Harr, faculty chairman, and Don Corbin, newly-elected student chairman, will be in charge of all preparations for the variety show, the dance, house decorations, alumni functions, the parade, and general participation.

As in the years past, all campus organizations will be out to win the coveted supremacy award. The award is presented to the organization with the highest number of points won in participation in Homecoming activities.

Seventeen students representing different organizations on campus were present at this meeting. These will assist in setting up the committees for the activities. Those who attended the meeting are Dixie Morehouse, Maryam Croy, Irene Schmitz, Marilyn Gilliland, Don Corbin, Evelyn Hillman.

Lucille Steinhauser, Rita Hunter, Joan Kowitz, Mary Shipton, John Whitford, Charles Brown, Marian Tlemann, Carol Tudder, Georgia Harnes, and John Barrett.

Student Loan Fund Gets Contribution

The Business and Professional Women's Club of Savannah, has contributed \$50.00 to the Student Loan Fund of Maryville State College.

Approximately 350 students have received loans amounting to \$35,000 from this loan fund which was started in 1949. This money is loaned without interest to deserving students who wish to continue their college career. So far the loss has been less than one per cent.

The committee realized this summer that the fund was going to need more money to keep the project alive. They wrote to the service organizations in our school territory and Savannah was the first to respond.

Dr. Sterling Surrey, Everett Brown, and F. B. Houghton, members of the committee, hope that many more service clubs will contribute to this worthy organization.

Carolyn Criswell Edits Missourian

Carolyn Jean Criswell, daughter of the late Mr. and Mrs. J. O. Criswell, of Mound City, will be this year's editor in chief of the Northwest Missourian.

Carolyn has an English major and a music minor. She intends to make a career of journalism after further training in a university school of journalism.

She received the English Award and Curators Scholarship in her preparatory work.

President Jones Presents Scholarship Cups in Assembly

At the opening assembly, President J. W. Jones presented the scholarship trophies to the winning sorority and fraternity. For the second consecutive year the Sigma Sigma Sigma sorority has had the highest grade average. The Sigma Tau Gamma was the winning fraternity.

In 1948 the three sororities on the campus, the Alpha Sigma Alpha, Delta Sigma Epsilon, and the Sigma Sigma Sigma, decided to present a scholarship award each year to the sorority having the highest grade average among its members.

The Phi Sigma Epsilon and Sigma Tau Gamma fraternities decided last year to present a scholarship cup also, with the Phi Sigs being the first winner.

The officers of the Sigma Sigma Sigma sorority are Lois Kemper, president; Lucille Huntzger, vice-president; Jerry Ideker, secretary; Sue McCoppin, corresponding secretary; Mildred Maxon, treasurer; and Bonnie Henderson, keeper of the grades.

John Lindell is the new president of the Sigma Tau Gamma fraternity. The other officers are Don Palmer, vice-president; Frank Pelly, secretary; and Don Corbin, treasurer.

Has Message

HOWARD PIERCE DAVIS

Dr. Davis Will Be Assembly Speaker

Dr. Howard Pierce Davis, one of America's outstanding lecturers, will speak to the students and faculty of Northwest Missouri State College at the assembly on Wednesday, October 7, in the college auditorium.

Dr. Davis began his career as a preacher, but soon became interested in world affairs to the exclusion of all else. He has traveled in France, England, Germany, and Austria and, since 1940, has attended every important conference of world affairs it has been possible to attend.

Dr. Davis feels that every American must be made aware of the dangers that challenge the democratic system of government, and must be equipped with knowledge and understanding in order to meet the perils that endanger its structure.

Each class of the FBI academy at Washington, D. C. hears Dr. Davis lecture, for J. Edgar Hoover is convinced that every FBI man should hear him at least once. His sound approach to present day problems is most noteworthy.

One of Dr. Davis' favorite topics is "Unfinished Business", for he realizes that the task of perfecting democracy and the quest for peace, freedom, and justice are social adventures which are never finished.

Dr. Davis has appeared here on campus to speak several times previously and his lectures are truly extraordinary, for they are never the same and are always unfinished. It is impossible to listen to him and ignore his challenge to think.

Act As Advisers

Miss Anna Gorsuch, 5th grade supervisor at Horace Mann, and Mrs. Pauline Arthur, supervisor of Horace Mann Junior High School, attended a Four County Teachers Institute at Mount Ayr, Iowa, Saturday, September 19. They acted as advisers to the conference.

Northwest Missouri District Association Will Feature Col. Philip F. LaFollette as Speaker When Teachers Hold Annual Meeting at College

College Attracts Girls From Afar

Two girls of the freshman class attending school this year are quite a distance from their homes, but they say it is wonderful on the campus and both are glad they are here.

Nancy Lee Kariger from the Canal Zone, Panama, chose NWMSC because her brother, Bob Kariger, and the coach from the school in Panama, Luke Palumbo, both recommended the school.

Nancy is looking forward to two big events, Homecoming and Graduation.

"They just don't have celebrations like Homecoming where I come from," she said.

Does she like it here? She answered this question in just three words, "I love it."

Shirley Ann Miller lives in the state of Washington. Her main reason for coming so far to school is similar to Nancy's. She has relatives going to school here.

Shirley especially likes the lay of the campus and how well it is kept. She also finds that the students are "friendly."

Board of Regents Has Meeting Here

Members of the Board of Regents of Northwest Missouri State College held a business meeting in the office of Dr. J. W. Jones, president of the College, Tuesday morning, September 22.

Mr. M. E. Ford, president of the Board, Maryville; Mr. R. L. Douglas, St. Joseph; Mr. W. M. Harrison, Gallatin; Mr. Harold Hull, Maryville; Mr. W. A. Rickenbrode, secretary, Maryville; and Dr. Jones attended.

At noon the members were guests at a luncheon served in the Lakeview dining room of the Union. Other guests were Mrs. Jones, Mrs. Ford, Mrs. Douglas, and Mrs. Hull, and faculty representatives, Miss Chloe Millikan, Miss Violette Hunter, Miss Mabel Cook, and Mr. Lon Wilson.

President Jones Welcomes Faculty

At the first faculty meeting, President J. W. Jones welcomed the new faculty members to the campus and introduced them to the other faculty members.

New faculty members are Mrs. Ruth E. Burke, dietitian; Dr. Robert E. DuBey, director of instructional materials bureau; Mr. Garland W. Fothergill, social science; Miss Joann W. Harristhal, women's physical education; Dr. Glenn J. Hoffman, humanities; Mr. Charles L. Johnson, fine arts.

Miss Jean C. Kinnie, speech; Mrs. Elizabeth J. Luer, Residence Hall counselor; Mrs. Arcille McClaren, education; Mr. Burton L. Richey, men's physical education; Dr. Edgar A. Smith, education; and Mrs. Edwardena Schneider, business, Horace Mann.

Dr. Jones Speaks At North Harrison High

Dr. J. W. Jones, president of the College, gave the address in the dedication exercise of the new North Harrison High School, at Eagleville, Sunday, September 20. "Opportunity For Service" was the topic of Dr. Jones' address.

Mr. Luther Skelton is the superintendent of North Harrison High.

Receives Honor

MISS MABEL COOK

Miss Mabel Cook Heads Fraternity

Miss Mabel Cook, teacher trainer of the home economics department, was elected to head the national organization of Kappa Omicron Phi, honorary home economics fraternity, at the national meeting held in August. Mrs. Frances Lemmon, a graduate of this college, was re-elected secretary of the group. Mrs. Lemmon is now home economics instructor at Central High School in St. Joseph.

The 13th Conclave of Kappa Omicron Phi, was held August 20 to 22 at the Fontenelle Hotel in Omaha, Nebraska. There were representatives of twenty-nine active chapters and eleven alumni chapters in attendance at the meeting. Mrs. Montgomery Wilson was the delegate of the Maryville alumni chapter, and Joan Kowitz was the delegate of Alpha chapter. Other members or alumni of Alpha chapter attending the Conclave were Jeanne Powell, Patricia Baker, Mrs. Harry Yungshlager of Villisca, Iowa, and Mrs. Gerald Cox of Albany.

Miss Cook will head the organization she helped found. Miss Cook was one of the six students, who, under the leadership of Dr. Hettie M. Anthony, founded Alpha chapter of Kappa Omicron Phi on this campus. Dr. Anthony, former head of the home economics department, was the first national president of the organization. Miss Cook is the present sponsor of Alpha chapter.

Miss Cook is active in many local, state, and national organizations. She is sponsor of the local chapter of Delta Sigma Epsilon social sorority. She is on the board and is a

(Continued on Page Three)

Ziegfield and Russell, Columbia University, Will Appear on Program

Col. Philip F. La Follette, three times governor of Wisconsin, and Dr. Edwin Ziegfield, head of the department of fine and industrial arts, Teachers College, Columbia University, will be two of the featured speakers at the thirty-sixth annual meeting of the Northwest Missouri Teachers Association to be held on this campus Thursday and Friday, October 8 and 9.

After Miss Martha Copeland, president, convenes the first general session, Col. La Follette will address the group on "Leadership, What Is It?"

Phil La Follette's distinguished career started back in 1923 when he was elected district attorney of Dane County, Wisconsin, shortly after he had graduated from the Law School of the University of Wisconsin. He served in this office until 1927 although in 1926 he returned to his Alma Mater as lecturer in law.

In 1939 when he was first elected governor of Wisconsin, he was the youngest governor in America. During his three term tenure, he received nationwide acclaim for his progressive statesmanship and reforms.

His friends and supporters consider him the ablest, the wisest, and most important public force in Wisconsin today. Like his father, the late Robert M. La Follette, he has no middle ground. His convictions are positive and his arguments are based upon exact knowledge.

After completion of his undergraduate work at Ohio State University in 1927, Dr. Ziegfield received his M. L. A. degree from Harvard University in 1929 and was granted the Ph. D. degree from the University of Minnesota in 1946.

As well as having several years' professional experience in landscape architecture, he has taught at Ohio State University, the University of Minnesota, and the Teachers College, Columbia University.

Dr. Ziegfield has received scholarships from the Lake Forest Foundation for Architecture and Landscape Architecture and Harvard University. In 1930 he was granted the Charles Elliot Travelling Fellowship from Harvard.

Dr. William F. Russell, president, Teachers College, Columbia University, is the guest speaker at the final general session on Friday afternoon.

Max Kinney Visits Campus

Max Kinney visited the campus September 14. He will be a junior in the College of Medicine, University of Nebraska at Omaha.

Yearbook Editor Announces Schedule for Tower Pictures

According to Cyril Dougherty, editor of the Tower, individual pictures for the 1953-54 college yearbook are something that should be of interest to the entire student body.

A question now arises, "Where may these pictures be taken?" The student may have his picture taken at the studio of either Amos, Marcell, Falk, or Carpenter.

Individual pictures taken at the Amos Studio cost \$2.00 per person. If, at a later date, the student desires an additional negative, it will be made for 50c.

Falk Studios will charge \$2.50 for individual pictures and will make one additional negative reprint per year for 25c. Individual pictures are retouched by this studio.

At the Marcell Studio, individual pictures will cost \$2.00, and each additional negative will cost 25c. Retouching will be done.

The Carpenter Studio charges \$1.50 for individual pictures, and the negative will be retouched. Extra prints from the same negative that is used by The Tower will be made for 25c each if the student so desires.

Pictures may be taken from September 30 through October 10. It is hoped that everyone will not delay until October 10 to have the picture taken.

All organization pictures are to be taken from October 12 through October 15. Organizations which have pledge classes may have pledge pictures taken at a later date.

Rambling In Vets' Village

By Herbert L. Anderson

While many students are talking about their latest heart throb or last night's date, residents of Vets Village are settling down seriously to school duties and family and home responsibilities. To some this activity may not sound appealing, but apparently it did to Jack Spence. He and his wife, Janet, who were married last June, are now living in Apartment 2-4. Both say that dormitory life for two in their cozy apartment is very nice. Vets Village can boast of students from Missouri, Kansas, Iowa, and even New York. Having NWMSC recommended to him by a former student, William Norton came all the way from New York. His decision to come has proved profitable in that here he met his wife. Acquiring an education can be interesting!

Anyone visiting the apartment of Mr. and Mrs. Jerry Dancer will not see a trace of that hard cement floor. They have tiled the entire floor as well as the kitchen and bathroom walls. Some others may be interested in giving Mr. Dancer a job.

If there are some fellows who find it hard to obtain the necessary green paper to make ends meet, why not try getting married? Two can live as cheap as one—if the wife works. At the present time Carleen Hopkins, Patricia Wilbur, Elaine Bullock, VI Wollen, Janet Rew, Marie Twaddle, and Kathleen Lorange are all helping add to the family income while their husbands attend school.

Residents of Vets Village appreciate being able to begin the school year living in apartments that have had a face lifting. The painting and shingle-siding work which was completed last summer certainly adds to the attractiveness of the apartments. Another way to improve their appearance is to follow the example of Jimmie Kay, George Barratt, Terry Bullock, and Joe Walker in maintaining a front yard fence.

Women of the village would very much appreciate something being done about those dilapidated clothes lines. General moral and home happiness would be greatly improved!

No one likes to be rudely awakened, but apparently dogs are not aware of the fact. This writer awoke the other morning to the tune of growls, snarls, and ferocious barks. Oh, well, never a dull moment at NWMSC, not even at 5 A. M.

They're Talking About.

By Yungschlager

The dorm parties... George "Meanie" Nathan's solo... Charles Hagee's hidden talent... quartet from Chillicothe... blue lights in Jim Röhl's room... M Club's change of heart... boys' beanies no longer squared away...

Walkout Day still a mystery... more closemouthed than ever this year... the steady stream of students at the Library... tend to be more studious... rough competition for the old students... John Lindell's statement, "I picked a good piece of meat."

Number of tall freshman boys... makes for good basketball in the future... those wee hours parties in Residence hall... 4:30 comes very quickly in room 122... Art McClellan's bleached hair... claims he got it in a cement factory... the boys who talk girls out of whole cakes... the same fellows falling out of car doors... the finger nail cutting maniacs in the Den... girls now have the new look in nails...

The 3:00 wanderings of Graham Venable, Carter Bodkin, and Rick Tilton... their robes are very attractive.

Attends State Meeting

Mr. H. R. Dieterich, principal of Horace Mann high school, attended the meeting of the Missouri High School Activities Association at Columbia, Friday evening, September 18, and Saturday morning of September 19.

Comply With Regulations!

For many years drivers have turned up their noses at the weather-beaten yellow signs on our campus that say "School Zone, 15 miles per hour," and have driven at breakneck speeds. These thoughtless drivers who speed on our roadways, are not only taking their lives into their own hands, but they are also endangering their right to drive on the campus.

The thoughtless driver who has made a habit of parking his car in areas not designated for parking is another of our campus menaces. This type of driver not only creates a dangerous driving hazard, he blocks entrances and exits which must be kept open at all times. This driver will find that he too can lose his permit to drive while on the campus.

The new traffic regulations have been created to help control the acute traffic problems here. The fast driver does not stop to think of the hazard he is creating for the pedestrians, especially for the small children from Horace Mann. The driver who blocks the roadways of the campus has no concern for the rest of the drivers.

The drivers who fail to think for themselves will find there is someone thinking of them at all times, for any employee of the college has the authority to make a written complaint concerning the violations of the traffic regulations. The first complaint will be recorded, but the second violation will be filed at police court.

The administration of this college is doing its best to make this campus a better place to live. If we do our best to comply with these regulations, we shall be doing our part too.

Campus Has Improvements

Many improvements have been made upon the campus this summer.

Parking lots north of Horace Mann, south of the Gymnasium, and by the Library; the driveway to the Union; the road and approach to the bus line were resurfaced. A walk was made from the Union to the Library, an almost inevitable requirement because of the beaten path made by students.

Hot water systems in Residence Hall, the Quadrangle, and the Gymnasium have been reconditioned. The swimming pool can now be heated independently of the main heating system.

A new scoreboard and a newly cleaned and painted stadium will be of pleasure during the football season. An effort has been made toward reconditioning the athletic field. Because of the drouth the work has not been easy.

Quad 5 is being remodeled for use as a man's dormitory, raising the possible lodging to 190.

Other improvements are the installation of incinerators in the Quadrangle and Union, the redecoration of the home economics department, the installation of plumbing in the bus barn, the extensive repairing on the roof of the Horace Mann building, and usual repairing of the heating plant.

President Welcomes Freshmen

More than 300 freshmen were welcomed by President J. W. Jones at the first general assembly Thursday morning, September 10.

Student body president, Stan Ogden, presided over the assembly which was opened with group singing led by Mr. Gilbert Whitney. Mr. Kenneth Bird accompanied at the organ. The orientation procedure was explained by Miss Rachel Taul and tests were given by members of the faculty.

In the afternoon, the program consisted of explanations of life at the college and meetings with faculty advisers.

Thursday evening a faculty-freshman party was held in rooms 113-114. Dr Peterson led group games which ended with everyone going to the Bearcat Den for refreshments and dancing.

The program for Friday featured talks by Dean Brandenburg, Mr. E. Brown, Mr. L. Belcher, Mr. R. Foster, and Mrs. Smith, the college nurse, on various aspects of registration and college life. Orientation tests were given in the morning and panel discussions were conducted by upperclassmen in the afternoon.

Friday evening an all school picnic, campus sing, and movies concluded the orientation activities.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

THE STROLLER

Miss Dykes certainly is one who looks ahead. Seems she sought to avoid a famine by planting corn in her eaves trough and now she has planted rain trees on her front porch. Perhaps she's skirting around another dry spell next summer.

Poor Bill Grace is finding his Nebraskan roommate rather difficult to get along with these days, what with a short-sheeted bed and a rather inaccurate alarm clock.

One wonders how Ernie Hutchings can possibly be playing his very best football when he is so consistently distracted by one particular blonde from Stanberry.

The pet shop owner displaying the "doggie in the window" certainly had nothing on Vets Village. Every color, size, and shape is in evidence and there is a great surplus. Anyone want a doggie?

If one were to collect nickels for every time a Maryville operator is asked to ring 286 these days, he could soon retire and live leisurely. The popularity of that one number is most amazing.

Don't be surprised if you see Joy Ann White, Jean Webb, Carolyn Criswell, or Rosalee Grace back in the kitchen in quest of Mrs. Burkes' chocolate cake recipe. They find it most praiseworthy—one piece tastes like more.

Dark hair and dark eyes seem to hold some sort of magic for Red Walker these days. Especially a certain dark head adorned with a little green beanie. Jo Ann Williams' name could possibly be linked with the above description.

Brief View of Faculty Vacations—

Three of the professors of Northwest Missouri State College were chosen as "Tourists of the Day" while they were touring the West and North in August. Their names were drawn from a group of names of representatives from the various motels of Casper, Wyoming.

Dr. Irene Mueller, biology department, Miss Dora B. Smith, education department, and Miss Estella Bowman, English department, were guests for breakfast, luncheon, and dinner at three different hotels in Casper.

In the morning they were taken to the Elkavon dam where they went on an extensive tour of the Red Stone irrigation lake by boat. That afternoon they were escorted through the beautiful Casper Mountains and to the rodeo in the evening. After the rodeo, the teachers were taken behind the scenes to meet some of the famous riders—Liderman, Casey, and Tibbs.

Announcements of the winners of the drawings were made over the radio and pictures were printed in the Casper and Maryville papers. This event is a very important affair in Wyoming and was given much publicity.

Ernest Mass, president of the Motel Association, and Roney Nunn were the hosts for the day.

Dr. Mueller, Miss Bowman, and Miss Smith also toured through Yellowstone National Park, Glacier National Park, Jackson Hole, Bismarck, Banff, and Lake Louise.

Dr. June Cozine served as leader of the Home Economics Curriculum in the University of Missouri Workshop, which was held for four weeks during June and July. Two recent graduates of NWMSC, Mrs. Ruth Gedders and Mrs. George Martin were members of the group; both were starting work on their M. A. degrees.

Miss Mabel Cook also served on the program of the state meeting for Vocational Home Economics leaders, which was held in Jefferson City during August.

Both Miss Cook and Miss Cozine served on national committees at an American Home Economics Convention held in Kansas City in June.

Dr. and Mrs. J. A. Drepps went to Jamestown, North Dakota, this August on their annual summer trip. They visited relatives and attended to business matters.

Later in August, Dr. Drepps went on to Saskatchewan, Canada, to visit relatives at Lucky Lake and Saskatoon. In Saskatoon he visited the Normal School and also the University of Saskatchewan.

Dr. and Mrs. Drepps report good crops of barley and oats in most parts of North Dakota, but only a fair one of wheat because of black rust that came late in the season.

This summer Mr. and Mrs. George R. Gayler went on a ten day vacation visiting a number of points of historical interest in the East, including Gettysburg Battlefield, Washington, D. C.; Mount Vernon, Richmond, and Williamsburg. Vir-

ginia; the site of Jamestown; and the College of William and Mary. They completed the trip driving back through North Carolina, Tennessee, and Great Smoky National Park, and stopped to visit the Hermitage at Nashville, Tennessee.

Mr. Gayler then attended graduate school at Indiana University during the summer term and completed all the requirements toward his Ph. D. Degree with the exception of completing his thesis. While at Indiana University, Mr. Gayler met and visited with Mr. Donald Sonnedecker and Miss Jessie Jutten, both of whom are former members of the NWMSC faculty, and with Dick Gordon, a former student who received his M. A. Degree in the Indiana University School of Business this summer.

Mr. W. T. Garrett, chairman of the biology department, spoke at the Brotherhood of Methodist Men at Burlington Junction, Thursday, September 24. His topic was natural history, and his speech was illustrated with Kodachrome slides. Superintendent of Burlington Junction Schools, Ernest Stalling, was in charge of the meeting.

Mr. Dale Blackwell spent most of his August vacation burning and scraping off the old paint and repainting his home on West Second Street.

Mrs. Avis L. Graham attended the University of Colorado this summer, where she took work in fields of special interest. She reported a thoroughly enjoyable vacation in the Denver-Boulder area. After several days at a mountain cabin at Fraser, she says it is easily understood why President Eisenhower chooses that particular place as his vacation spot.

Dr. Fulsom Selects "The Tavern" by Cohan

"The Tavern," a mystery comedy, has been selected by the speech department for the annual play production.

Written by George M. Cohan, this play is one of his most famous, and has proved to be very popular.

Meetings were held last week in order to give anyone interested an opportunity to try out. The cast consists of ten men and four women. Dr. Ralph Fulsom is the director.

Card From France

24 Juin 1953

Alain Pierre a la joie de vous annoncer la naissance de son petit frere

Edwin Yves
Mr et Mme Pierre Sotteau
Clinique 9, Rue des Sycomores
Ste-Marguerite Bron (Rhône)
Pierre Sotteau, of France, received his B. A. Degree from the College in 1949, with an English major and a history minor.

Dr. Leon F. Miller spoke in Cameron yesterday to a district meeting of parents and teachers.

Delta Sigmas

Lucille Steinhauer, president, and Bernice Short, treasurer, of Delta Sigma Epsilon, were the Alpha Phi Chapter delegates to the Golden Gate Conclave held at the Fairmont Hotel, San Francisco, California, August 14-21.

At the honors banquet, Mrs. Betty Curry Yungshlager, a Delta Sig who graduated in 1952, was awarded one of the five scholarship bracelets given for outstanding academic work in the past three years. Alpha Phi chapter was commended for ranking thirteenth scholastically in the thirty-nine national chapters. A song written by Charlene Carr appears in the new Delta Sig songbook.

Initiation services will be held Sunday morning for Joy Ann White and Rosalee Grace. The group will then attend church services in a body.

New officers who have recently been elected will be installed immediately following the initiation. They are Patty Neff, recording secretary; Barbara Taylor, alumnae secretary; Joy Ann White, sergeant; Rosalee Grace, historian.

The chapter birthday was celebrated on September 23.

Sigma Phi Dolphin

The Sigma Phi Dolphins held a business meeting on September 16 and the following officers were elected for the year: Roberta Korde, president; Betty Nazarene, vice-president; Janice Hyink, secretary-treasurer; Dixie Moore, stunt captain; and Mary Bogle, reporter.

Thirteen girls were welcomed into the club at the first tryouts for new members held September 23. Refreshments were served following the swimming.

Tryouts will be held again October 7 at 8 p.m. for girls who may be interested. The test consists of a length of the crawl, side stroke, back stroke, and breast stroke; front dive and surface dive; and treading water. Notice will be posted on the bulletin board as a reminder of this meeting. Names of new members will be announced as soon as the next tryouts have been completed.

Phi Sigmas

Phi Sigma Epsilon held its first meeting of the current school year on September 27. Eighteen members will be the nucleus of the fraternity.

Sorry to lose a number of our members to the draft. Among them are Bill Greaves, vice-president. John Barret was elected to replace Bill in this office.

The Smoker was held Monday, September 28.

We extend to the Bearcats best wishes for great football this year.

Here Are Your Cheerleaders...

President J. W. Jones has expressed the desire for a victory over Rolla as his birthday gift for 1953. The game is not until Friday, and his birthday is tomorrow. Though late, the gift would be a welcome one—not only for him, but for the whole college. Why not help?

Cheerleaders for the 1953-54 sports season have been chosen by a selected student vote and consist of the top "lung" yellers of the campus. One of the essential backings of a winning team is the pep and enthusiasm behind the squad, and this year the Bearcats have full backing with the yell-leading done by Nancy Menefee, Clair Johnson, Beverly Murphy, Nancy Snidow, and Phillis Jones. Alternate cheerleaders are Jane Dyer and Louise Novinger.

Miss DeLuce Gives Reception In Honor of New Art Teacher

On Tuesday evening, September 16, an informal reception was held at the home of Miss Olive DeLuce, chairman of the Fine Arts Department. At this time, the faculty was introduced to Mr. and Mrs. Charles Johnson. Mr. Johnson is a new member of the Fine Arts Department.

Mrs. Everett Brown and Miss Chloe Millikan were in charge of the reception line. They were assisted by Miss Mattie Dykes, Miss Bonnie Magill, and Mrs. W. A. Rickenbrode.

Servers were Mrs. J. G. Strong, Mrs. H. D. Peterson, and Mrs. Donald Valk. Assisting them were Miss Estella Bowman and Dr. Irene Mueller. Misses Ann Gorsuch, Ruth Miller, and Mabel Cook, also assisted with the reception.

Students who assisted Miss DeLuce were Mrs. Darrell Quinn, Mrs. Artie Walker, Mrs. Jackie Adams, and Misses Joan Kowitz, Verdeen Dorman, Barbara Beaver, Violet Casey, and Marca Dick.

The table was attractively decorated with yellow pom poms. The art collection owned by Miss DeLuce was on display.

A. C. E.

September 16, the Association for Childhood Education held its first meeting of the fall semester. The nineteen active members entertained approximately thirty girls interested in the primary education field.

Miss Millikan, sponsor, was unable to attend the meeting as she was in St. Joseph presiding in her role of state president of American Association of University Women.

Joyce Baker Haws, president of A. C. E., presented Miss Ross and Miss McKee, the second grade and kindergarten teachers at Horace Mann, to the new group. Miss Ross explained the meaning, origin, and organization of A. C. E. An additional welcome was extended by Miss McKee.

The girls enjoyed a lively social hour of get-acquainted games, conversation, and refreshments.

Officers of A. C. E. for the coming year are Joyce Baker Haws, president; Phyllis Riegel, vice-president; Ella Ray Hankins, secretary; Lucille Hunzinger, treasurer; Sue McCoppin, social chairman; and Mary Shipton, publicity chairman.

Faculty Entertains Students At Annual Formal Reception

The main lounge of the Student Union building was the scene of the faculty-student formal reception on Monday evening, September 21. Upon arrival, the students were greeted by Miss Estella Bowman, Miss Mattie Dykes, Mr. Lon Wilson, and Dr. J. A. Dreps.

Dr. Irene Mueller, Miss Rachel Taul, Mr. John Taylor, and Mr. Robert Foster introduced the guests to the receiving line.

Those in the receiving line were President and Mrs. J. W. Jones, Mr. and Mrs. M. E. Ford, Mr. and Mrs. Harold Hull, and Mr. and Mrs. W. A. Brandenburg.

The pouring was done by Madames Robert DuBey, Glenn Hoffman, Burton Richie, Arcelle McClaren, Charles Johnson, Garland Fothergill, Edgar Smith, and Elizabeth Luer.

The table decorations were daisies, pom poms, and lighted candles, with yellow dominating the color scheme.

W. A. A.

The Women's Athletic Association held a business meeting Tuesday afternoon. The following officers were elected: Mallard Maune, president; Carolyn Risser, vice-president and social chairman; Virginia Watkins, secretary and treasurer; and Ruth Crane, reporter.

Softball will be the sport played on Thursdays with Ann Corless as softball manager. Archery or swimming will be the program on Tuesdays.

Basketball, volleyball, and individual sports are included in the activities for the year.

All girls are invited to participate in the W. A. A. activities offered this year.

Dr. Leon Miller Speaks at Seminar

The first seminar for student teachers and faculty was held at 4 p.m., September 17, in the Horace Mann auditorium. After a short orientation talk by Dr. Leon Miller, chairman of the education department, the group adjourned for a coffee hour.

Four other seminars are scheduled for the first semester. On October 16, the group adjourned for "Problems in Teaching." The topic for October 29 is yet to be announced.

Dr. DuBey will speak on "Utilizing Instructional Materials" at the November 19 meeting. The final seminar on January 14 will be a "Critique" by Dr. Miller.

Pi Omega Pi

Pi Omega Pi held its first meeting, Wednesday morning, September 23. Plans were discussed for the chapter's annual Homecoming luncheon.

Patronize Missourian Advertisers.

Art Club

Miss Olive DeLuce had an informal gathering of art majors and minors and others interested in the subject, on Sunday evening September 20, in her home.

Arrangements for a picnic, which was held Wednesday evening, September 23, were made by Jackie Donaldson Adams. Art majors and minors and all others interested in art were invited.

Independent Club

College park served as a retreat for all Hobos Tuesday, September 21, when the Independent Club entertained 141 freshmen, non-affiliated students, and old members at a Hobo party.

A scavenger hunt led the group to the campfire where a program consisted of a male quartet, Don Watson, Bud Williams, Bob Hull, and Herman Salle; the Seven Hoboes, Joan Kowitz, Mary Shipton, Angenette Adams, Wanda David, Veldeva Cochran, Joyce Brown and Louise Novinger; and a reading by Louise Novinger.

Following the program the group toasted marshmallows.

Sigma Sigmas

Lois Jean Kemper was elected president of the Sigma Sigma Sigma sorority, September 15. She succeeds Mary White McCoppin who is living in Kansas City. Lois is a junior in college this fall. She is from Tarkio.

Lucille Hunzinger was elected vice-president of the sorority to succeed Lois Kemper. Lucille is from Oregon, and she is a junior.

Twenty-seven Tri Sigma girls met at Bedford, Iowa, Sunday, July 25 for their annual summer picnic. Gerry Idecker gave a report of the national convention held in New York in June. Maxine DeShon gave a door knocker to the sorority for the chapter room in Residence Hall.

Intermediate Club

The Intermediate Club entertained prospective members at a social meeting Tuesday, September 14, in the gold room of the Student Union. Twenty-one old members, guests, and the sponsor, Miss Mary Keith, attended the meeting.

Miss Mabel Cook Heads Fraternity

(Continued from Page One) — past president of the local branch of the American Association of University Women. She is past president of the Missouri Home Economics Association, the American Vocational Association, the Missouri State Teachers Association, and the American Association of University Professors.

Prior to Miss Cook's present position, she has been State Supervisor of Home Economics in Missouri, on the Home Economics Staff of Central State Colleges, and home economics instructor in high schools of Maryville and St. Joseph.

Miss Cook received her B. S. degree in Education from Northwest Missouri State College and her M. A. degree from Columbia University. She has done advanced graduate work at Colorado A and M and at Iowa State College.

Bearcats and Miners in MIAA Go Big Green Lose Two

Both Teams Looking For First Victory Of Season.

Coach Ryland Milner's Bearcat football team will go out gunning for their initial victory of the '53 season Friday night when they host MIAA conference foe Rolla.

The game matches two clubs who have yet to taste victory in games played to date. The Bearcats losing to Nebraska Wesleyan and William Jewell and Rolla to Washington of St. Louis and Pittsburg, Kansas.

After two unimpressive performances, the Green and White gridmen are about ready to play the type of football they are capable of.

Injuries which have hampered the squad in early games are still predominate. Gil Obregon, a spectator during the Jewell game, is back in harness but not yet in the best condition. Other Bearcats with injuries are, Jim Gillett, Red Walker, Darrell Walker, Dave Meyers Bill Baldwin and Don Black.

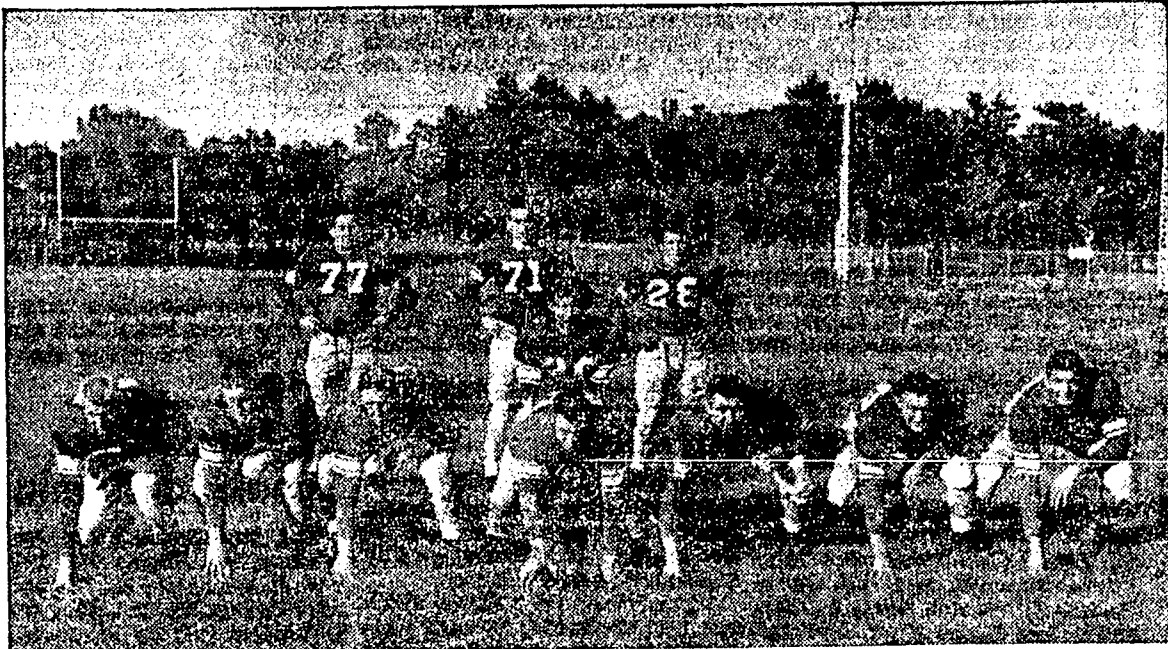

All of the injured will probably see action but won't be at their physical best.

Chances for a Maryville victory lies in the ability of the Bearcat offense to operate smoothly inside the 20 yard lines. In the two losing games to date, Milner's team has looked good in between the twenties only to have fumbles and sloppy ball handling give away scoring opportunities.

Rolla, coached by veteran Gale Bullman, lost a great many starters off its '52 team with only Bill Roerman and Parker Bennett returning. Roerman a full back and Bennett a guard were unanimous all conference choices.

Maryville has failed to defeat Rolla since 1942.

To Open Conference Schedule Against Rolla

Probable starters for the Bearcats against MIAA foe Rolla Friday are pictured above. Left to right, Larry Rowley, Carl Leffingwell, Jim Gillett, Ernie Hutchings, Don Palmer, Bob Dillon and Ono Monachino. Backs shown are Gil Obregon (77), Bill Baldwin (71), Don Black (28) and Darrell Walker at the quarterback spot.

Coach Ryland Milner starting his 17th season as head football mentor here at NVMSC is the Dean of all MIAA coaches. . . Milner's teams have compiled an outstanding record, winning 80 games while losing only 35. . . '38 and '39 teams gained National recognition with 18 game winning streak. . . have outscored opponents 2,023 points to 1,153 points. . . '44 team composed mainly of Navy students also enjoyed a perfect record. . . last year's co-championship squad joined a growing list of Bearcat champions which now numbers eight. . .

Mark Burns, just returned from a two-year hitch with Uncle Sam's Air Force, joined the football "daddy's" club when his wife gave birth to a baby boy. . . Carl Leffingwell, Bob Dillon and Bill Norton are charter members. . .

Bill Steele, Bill Burnside, Rick Tilton, Jack Spence, Loren Putney, and Gil Obregon went through "M" club initiation Monday night. . . little more dignity added to initiation rituals with suits and ties replacing sweat suits and other comical outfits. .

Plenty of tall and talented basketball material floating around campus. . . Coach Dale Kessinger in his second season at the helm of the Bearcat eagles is looking toward an improved season record. . . Green and White have 20-game schedule besides an opening game skirmish with the Alumni. . .

Intramural activities under the sponsorship of Doctor Peterson now in the formative stage. . . All States Athletic Club won title last year . . . race for top honors now wide open. . .

When the Victory Bell Rings

"Why do all the "M" men look at us so strangely?"

"When will Walkout Day arrive?"

"They won't shear my hair off!"

The above conversation was overheard by an upper classman. It seems two "frosh" girls were drawing blanks on most of their guess work. But, only the "M" Club members know the answers and they shall decide WHEN and WHERE the torture shall start for all the little "greenies."

When the victory bell announces to Freshmen that the cold day has arrived, "M" men herd all "frosh" before the Ad building and after a few brief exchanges of this and that with the "greenies" everyone heads downtown for Kangaroo Court. This year the most notorious George "Meanie" Nathan will be the chief judge and head executioner. Kangaroo Court has assorted shampoos, kisses from pretty lasses, and FREE hair cuts.

Following court, all "frosh" meet on the college campus for activities of swimming, jousting, races, and water tug-of-war. If the Freshmen are good sports throughout the tests, they are allowed to feast on a large picnic lunch.

From all reports the "frosh" class of 1953 has lots of outstanding characters, although "M" Club members refuse at this time to state which side of the fence their character falls on. Shall we all look forward to Walkout Day 1953?
